Please be as precise as possible.

with its emphasis on growth, it does not recognize the need for immediate action on climate change in line with WBC's own declaration of a Climate Emergency
the proposed loss of Green Belt will do nothing to prevent further urban sprawl and also represents a renewed assault on natural habitats
elements of the plan are aspirational rather than deliverable. This is especially true of its transport proposals
far from meeting "the needs of local people", Warrington will continue to be a dormitory for commuters to Liverpool/Manchester

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
