Unrealistic economic forecasts by Council. Insufficient road/vehicle movement infrastructure dependent upon overstretched roads & bridges. No new routes into W.Ton from South East. Inadequate single crossings of Bridgewater canal.. Increased reliance on escalating road traffic entirely contrary to Climate Change objectives. Decrease in quality of air and atmosphere over and around Warrington and suburbs, especially along the bottom of the Mersey valley , following the routes of the M/Cr. ship canal and the Mersey. No apparent provision for increases in the essential services of Policing, Fire protection,Health centres, schools, leisure etc.No time lines for the provision of these essential services prior to a surge in population increases.

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.
