PART B - Representation Form 1

1. To which part of the Local Plan does this representation relate?

From the drop down list please select one option.

MD3 Fiddlers Ferry

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

Firstly the traffic from the site with so many houses and business premises proposed will have a huge impact on the roads around Penketh which have to cope with excessive amounts of traffic especially backing up from Penketh Lane Ends which means local traffic have trouble getting out of side roads since Mersey Gateway and the new road at Bank Quay station not to mention the Western link which I envisage will also cause bottlenecks. Secondly the area round Fiddlers Ferry Pub/marina is the only open space for Penketh residents to walk and this should be enhanced for leisure like other areas of Warrington not a housing estate.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

See above

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

Fiddlers ferry land made more accessible for the local community of Penketh and not just filled with housing and business premises, nothing has been done for this area of Warrington unlike areas of inner Warrington also ensure green belt exists between Warrington and Widnes

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
