Please be as precise as possible.

there are vast developments in the appleton area already and any further expansions would clog up the existing roads particularly lumbrook road and the roads leading to the M6. This plan would result in the small villages we have being transformed into one large town and destroy the quite amenities of the area. What is more important is no guarantees of the infrastructure of school availability and health availability which are already at full capacity. Why not use brownfield sites which need attractive development. Stretton road is becoming dangerous with traffic due to developments and children at the school are at risk if care is not taken.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
