	Yes	No
<b>Legally Compliant</b>	<input type="checkbox"/>	<input type="checkbox"/>
<b>Sound</b>	<input type="checkbox"/>	<input checked="" type="checkbox"/>
<b>Compliant with the Duty to Co-operate</b>	<input type="checkbox"/>	<input type="checkbox"/>

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

It is not sound to build on Green Belt or remove land from Green Belt. For the South East Warrington Plan details of road infrastructure improvements are very generic. It is not evident how the Cat and Lion junction could actually be improved, nor Lyons lane / London road crossing. No actual details of how congestion through Stockton Heath reduced, or at M6, M56 junctions. Clause 3.4.13 I don't see the direct link between homes and business areas lead to less commuting, in todays society a short home to work distance can not be guaranteed by more housing near the business area.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
