3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

Lack of infrastructure - roads and bridges in particular, in Warrington are significantly congested and addition to the local area of further employment facilities and housing will only serve to worsen this problem.

There is no detail about the associated increase that would be needed in education, transport, health services with local health services in particular being already overstretched and schools at maximum capacity.

There should be a requirement for regeneration developments to firstly use brownfield sites, before using green spaces and Greenbelt land eg Peel Hall and Thelwall Heys. This does not seem justifiable.

There is no justification for the predicted growth and no need for the volume of housing and mass of employment land suggested.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
