The proponents of this plan who seek to inflict it on us would be well advised to have second thoughts. Long time residents ███████████ have found the village to be a less attractive place to live. We feel the problem is less the houses but more traffic/parking/routes - rat run for the Trafford Centre and total congestion when a problem occurs on the motorways.
On 15th November at 2pm. - a miserable damp Monday there was just 12 spaces to park. A further 400-480 cars would make life very difficult.
