	Yes	No
Legally Compliant	<input type="checkbox"/>	<input type="checkbox"/>
Sound	<input type="checkbox"/>	<input checked="" type="checkbox"/>
Compliant with the Duty to Co-operate	<input type="checkbox"/>	<input type="checkbox"/>

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The expansion of houses in the area is a detriment to the environment. The environment in particular green belt land should be of paramount importance to the local government in the light of the climate crisis we are facing.

The numbers of houses and the facilities and infrastructure needed will increase traffic flow whilst destroying opportunities to have land which enables us for example to absorb carbon from the atmosphere.

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

The plan needs to show factual reasons which show how this expansion can be carbon neutral and meet a green agenda.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.
