MD2 South East Warrington Urban Extension

2. What does your comment relate to? Please select one option.

None of the above

3. Do you consider the Draft Local Plan to be: Please select one option in each row.

	Yes	No
Legally Compliant	X	
Sound		X
Compliant with the Duty to Co-operate	X	

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

The plan is unsound because:

- It proposes building on significant areas of greenbelt, brownfield sites should be considered first, e.g. Fiddler's Ferry
- The number of additional dwellings proposed are not sustainable within this area - e.g. roads, schools, sports centres and there are no or minimal proposals for these, the only thing that would be guaranteed to be built is all the additional housing.
- Proposed road improvements are insignificant - it will be impossible to exit the area at peak times - e.g. morning rush hour, this is already difficult enough.
- Air quality not considered.
- Green Belt land is precious and should be treated as such - it can never be replaced once lost. We cannot continue to expand into it forever, this has to stop.

5. If you answered 'Yes' to any of the options in question 3 then please give details in the box below the reasons why you support the legal compliance or soundness of the Draft Local Plan or its compliance with the duty to co-operate.

Please be as precise as possible.

I'm not a planning expert, I presume the planners have made sure their plans are legally compliant

6. Please set out what modification(s) you consider necessary to make the Draft Local Plan legally compliant or sound, having regard to the test you have identified above where this relates to soundness. (NB please note that any non-compliance with the duty to co-operate is incapable of modification at examination).

You will need to say why this modification will make the Local Plan legally compliant or sound. It would be helpful if you are able to put forward your suggested revised wording of any policy or text.

Please be as precise as possible.

- Massively reduce building on Green Belt land
- Consider Brownfield land more thoroughly

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
