	Yes	No
Legally Compliant		X
Sound		X
Compliant with the Duty to Co-operate		X

4. If you have answered 'No' to any of the options in the above question then please give details in the box below of why you consider the Draft Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate.

Please be as precise as possible.

This plan goes against existing green belt plan only put in place 7 years ago.
I do not believe there is justification for the number of bodies needed.
The plan is mainly based in south Warrington where there are far fewer facilities to support this development. There are no school places, doctors or dentist places and the roads are already congested.
The existing access to the motorways does not support the number of houses proposed.
More brown fields and other sites should be considered first.

7. If your representation is seeking a modification, do you consider it necessary to participate at the oral part of the examination? Please select one option.

No, I do not wish to participate at the oral examination
